

IAEA and Japanese Foreign Ministry Co-sponsor “3S” Asian Regional Seminar

From August 18 to 22, the Regional Seminar on Nuclear Security, Safety and Safeguards (3S), was held in Hanoi, Vietnam, under the joint sponsorship of the Ministry of Foreign Affairs of Japan and the International Atomic Energy Agency (IAEA).

Officials were invited to the seminar from nine Asian countries considering the introduction of nuclear power generation in the future: Vietnam, Bangladesh, Indonesia, Malaysia, Singapore, the Philippines, Thailand, Laos and Nepal. At the seminar, Japanese nuclear-energy experts made presentations on their experiences in the field, sharing their understanding on the importance of ensuring the “3 S’s” in the peaceful utilization of nuclear energy.
