

16th Pacific Basin Nuclear Conference Held in Aomori

The 16th Pacific Basin Nuclear Conference (16PBNC) was held from October 13 to 18 at the Aomori City Cultural Hall under the theme of “Pacific Partnership toward a Sustainable Nuclear Future.”

Aomori Nebuta play was presented at the reception

Some 900 experts and specialists from 18 countries and regions participated in the conference, with presentations and reporting sessions made on various topics, including the design, construction, operation and maintenance of nuclear power plants (NPPs), as well as the management of waste, and seismic measures. Fruitful exchanges of opinion were also made by the attendees.
