### **Before 2012**

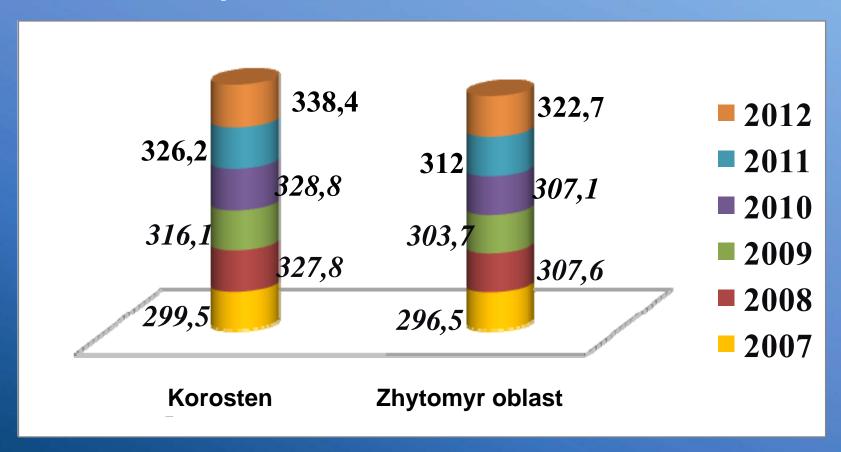

## Monitoring of public health state

## Rate of cancer patients

## Social - psychological rehabilitation of citizens

- The law of Ukraine "About the status and social protection of citizens affected by the Chernobyl disaster"
- The Law "About the Legal Regime of the area contaminated by the Chernobyl disaster

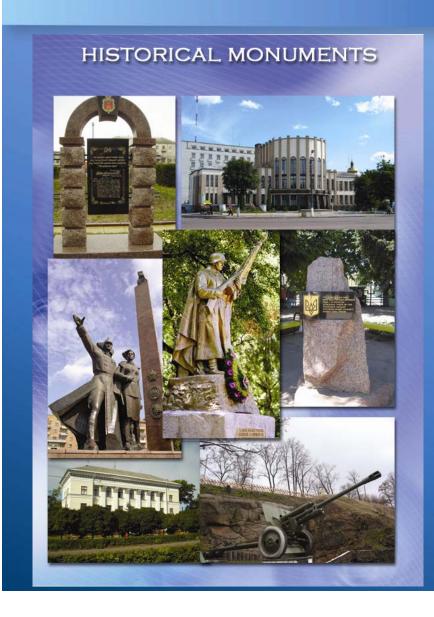

## Promotion of economic development of the area

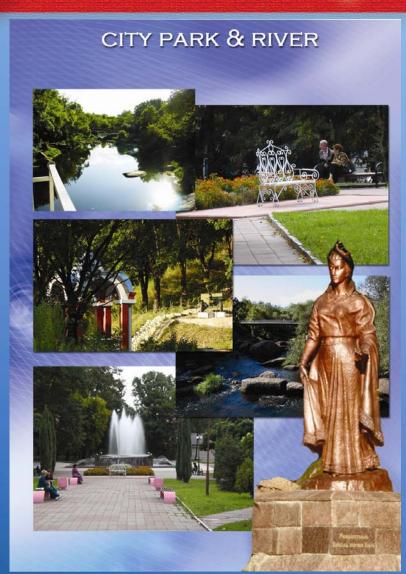

- The Law of Ukraine "About the Special Investment activity in the territories of priority development in Zhytomyr region" was adapted in 1999. According to this Law, Korosten provides benefits concerning the payment of customs duties, added value tax, income tax for enterprises and land payments. In 2005 a moratorium was imposed on the Law.
- Creation of an industrial park
- Cooperation with international organizations, the study of international experience

## Formation of joint priorities for community development
