## The 51<sup>st</sup> JAIF Annual Conference

Japan Atomic Industrial Forum, Inc. (JAIF) will hold its 51<sup>st</sup> Annual Conference in Tokyo on April 9-10.

**Dates:** April 9(Mon.) – 10(Tue.), 2018

**Venue:** Toshi Center Hotel Tokyo (Cosmos Hall)  
2-4-1 Hirakawa-cho, Chiyoda-ku, Tokyo 102-0093, Japan

**Keynote Theme:** “Nuclear Power, a Key Energy Solution for the Future?”

### About JAIF:

The Japan Atomic Industrial Forum, Inc. (JAIF) was incorporated on March 1, 1956, as a comprehensive non-profit organization for nuclear energy. Its objective has been to promote peaceful uses of nuclear energy and technology to support sound development of the national economy and well-being. JAIF became the first NGO that awarded “consultative status” by the International Atomic Energy Agency (IAEA) in 1960. JAIF is unique in having a broad membership comprising about 430 member organizations, ranging from nuclear-related businesses, including power companies, vendors, and R&D institutes to organizations such as local governments.
