INTERNATIONAL NUCLEAR ENERGY KOREA 2020

The first, largest and longest nuclear power exhibition in Korea, INEK 2020

- ◆ Since the Pacific Basin Nuclear Power Exhibition was held first in Korea in 1985 by the Korea Atomic Industrial Forum, the Korea nuclear power industry has received great international attention by hosting the 18th Pacific Basin Nuclear Conference held in 2012.
- ◆ Since then, the regular exhibition has been held with the purpose of raising domestic and international awareness about nuclear power, developing relevant industries and seeking the integration of technical development information, overseas cooperation and the export expansion plans. In particular, it has been decided to hold the exhibition at Busan BEXCO every other year from 2014.

The best opportunity to display advanced technology and safety culture

- ◆ With its first nuclear facility export to UAE in 2009 marking the beginning of operations overseas, the Korea nuclear power industry has been expanding its business globally in places such as Czech, Saudi Arabia, Poland and so on.
- ◆ INEK (International Nuclear Energy Korea) will be a great opportunity to display your advanced technology and safety reinforcement.

The largest complex of Korean nuclear power, Southeast region

- ◆ The southeast region, in Busan as the center and including Ulsan, possesses excellent industrial infrastructure with more than 40% of nuclear power industry-related companies and more than 70% of nuclear power equipment companies located in this region.
- ◆ In addition, this region boasts the largest nuclear power infrastructure and is the center of high-tech nuclear, medicine and science and features such facilities as the Kori and Saeul Nuclear Power Plant, KORAD, KINGS (KEPCO International Nuclear Graduate School), DIRAMS and the other organizations.

01 | Exhibition Overview

Title	INEK 2020 International Nuclear Energy Korea
Date	July 16. (Thu) ~ 18. (Sat), 2020
Venue	Hall 2 and Exhibition Center 1, BEXCO
Host	Korea Atomic Industrial Forum (KAIF)
Organizer	BEXCO

Conference

The 35th KAP Annual Conference

02 | Exhibition Scope

- **Nuclear power generation businesses**
- **Plant construction** : design and engineering, design service/plant and research reactor construction and installation
- **Nuclear power generation equipment** : NSSS facilities and equipment / T/G facilities and equipment / cooling and circulation system facilities and equipment / nuclear fuel fabrication and relevant facilities / measurement and control facilities and equipment / moderator and nuclear power generation materials (steel, cement, jacket pipes, etc.) / other equipment and parts
- **Decontamination and decommissioning**
- **Nuclear plant maintenance** : facilities and equipment related to nuclear plant maintenance / other services (heat treatment, simple treatment, transportation, etc.
- **Nuclear plant safety** : waste (waste water) treatment and purification facilities, equipment and containers / radiological monitoring, management, and protection facilities and equipment / nuclear power quality control, quality assurance, and technological standards, etc.
- **Electronic communication** : power transmission, substation systems (wires, transformers, etc.) / smart grid and related equipment and materials / other power services, etc.
- **Nuclear plant research** : basic research on nuclear power, nuclear reactor development, improvement of reactor reliability, decommissioning technology, use of synchrotron radiation, nuclear policy research, etc.
- **Radioisotope** : NDT related equipment and technologies, medical technologies and services, other radioisotope applied equipment and technologies, etc.
- **Support and management** : education and training, promotion of nuclear power, international cooperation, research support and management

03 | Special Section

- **DECOMEX Korea** : specializes in D&D area, showing advanced technology and equipment in the field of nuclear decommissioning. Those who are eager to promote their products or services have special benefits. Be sure that space is allocated on a first come first served basis.
 - Promotion opportunity : 20-min presentation roadshow
 - Complimentary registration for the 35th KAP Conference (1person/booth)
 - Additional booth space (till April 2020)
 - Networking drinks and reception

04 | Participation Information - Booth Fee

Type	Price	Description	Design
Shell Scheme	USD 2,500/ 9m ²	A built-up octanium stand (3mx3m), fascia board and banner, a booth number plate, a fluorescent light, three spotlights, two arm spotlights, an electric outlet, a table and a chair (one set), floor carpet	 [Sample]
Space Only	USD 2,000/ 9m ²	The Exhibitor hires a construction company to install and remove the booth. A minimum of four booths (36m ²) are required. Only space for exhibits is provided.	 [Sample]

05 | Registration

- ◆ **Application Deadline** : April 30, 2020 (1st closing)
- ◆ **Participation Procedure** : Submit a completed application form by fax, mail, email, or visit us at our office

Description	Amount	Payment due	Bank Account Information
Deposit payment	50% of the total fee	Upon application	Busan Bank 042-01-035519-9 Account Name : BEXCO
Balance payment	50% of the total fee	May 31, 2020	

- ◆ **Official Directory Advertisement Fee**

Description	Cover Page (P. 2, 3) - Color	Page - Color
Advertisement Fee	USD 5,000	USD 2,000

BUSAN

Busan is the second largest city in Korea.

Its deep harbor and gentle tides have allowed it to grow into the largest container handling port in the country and the fifth largest in the world. The city's natural endowments and rich history have resulted in Busan's increasing reputation as a world class city for tourism and culture, and it is also becoming renowned as a hot spot destination for international conventions.

TERMS AND CONDITIONS FOR EXHIBITING

Article 1. DEFINITION OF TERMS

1. "Exhibitor" shall mean a firm, a cooperative or an organization that has submitted the application form for participation in the exhibition.
2. "Exhibition" shall mean the "International Nuclear Energy Korea 2020."
3. "Organizer" shall mean BEXCO.

Article 2. APPLICATION AND PAYMENT PROCEDURES

The application form along with 50% of participation fee should be submitted to the Organizer located at 55 APEC-ro, Haeundae-gu, Busan (48060). The Organizer shall allocate spaces to Exhibitors whose applications were received before the application due date and in accordance with the space allocation standards. The remaining balance must be paid by the application due date, May 31, 2020

Article 3. PARTICIPATION FEE

The participation fee is USD 2,000 per booth for space only and USD 2,500 per standard shell scheme booth.

Article 4. DESCRIPTION OF PARTICIPATION FEE

The participation fee shall include the space, 24-hour security for the exhibition hall, cleaning of the aisles, promotional activities and the provision of an exhibit directory.

Article 5. ALLOCATION OF EXHIBIT SPACES

1. The Organizer shall allocate exhibit spaces in consideration of the order in which the applications were received, the features of the items to be exhibited and other reasonable standards.
2. If any special condition occurs, the space allocated to an Exhibitor may be changed at any time before the exhibitor move-in period. Such a change shall be made at the Organizer's own discretion and all claims for any such change are expressly waived by the Exhibitors.

Article 6. INSTALLATION AND REMOVAL

The installation and removal of the Exhibition's facilities shall be completed within the stipulated period. Exhibitors shall pay the Organizer for any losses incurred due to a delay in installation or damage to the Exhibition Pavilion, due to removal, that is deemed the fault of the Exhibitor.

Article 7. COORDINATION OF EXHIBITS WITH ORGANIZER

Exhibitors shall provide descriptions of their exhibits before their construction and must ensure compliance with the regulations and restrictions on booth design and activities. Exhibitors shall also agree to provide the Organizer with the necessary information to facilitate the overall promotion of International Nuclear Energy Korea 2020.

Article 8. INSURANCE, SECURITY AND SAFETY

Exhibitors are required to subscribe to all of the risk insurance policies related to all of the equipment and products to be used during the Exhibition as well as during set-up and take-down. Even though the Organizer shall devise appropriate security measures to protect the interests of the Exhibitors and visitors, the Exhibitor shall be held responsible for any loss, theft, or damage to any articles belonging to the Exhibitor. The materials used in the stands and displays must be properly fireproof in accordance with the local fire and safety regulations. The Organizer shall reserve the right to limit any construction or demonstrations that pose potential safety hazards.

Article 9. MANAGEMENT OF EXHIBITION BOOTHS

Exhibitors are bound to exhibit their announced products and to staff their stands with competent personnel during the opening hours of the Exhibition. The activities of the Exhibitor shall be confined to

within the limits of the Exhibitor's booth. The exhibit will be consistent with the theme of the Exhibition, and the Organizer reserves the right to restrict exhibits that may detract from the general character of the Exhibition.

Article 10. SELLING OF ITEMS ON DISPLAY

It is agreed that the sole purpose for participation in the Exhibition is to display and/or demonstrate equipment, supplies and/or services. Cash sales within the confines of the allotted exhibit space are prohibited; however, selling within the special space allocated by the Organizer shall be excluded. All taxes and other affairs accompanying sales activities shall be the responsibility of the Exhibitor.

Article 11. LIABILITY

It is mutually agreed that the Organizer shall not be liable to the Exhibitors for any damage to and/or loss of the Exhibitor's property or for injuries to persons resulting from any cause. All claims for any such losses, damage, or injury are expressly waived by the Exhibitors.

Article 12. CHANGE OR CANCELLATION OF EXHIBITION

The Organizer may cancel all or any part of Exhibition for any reason beyond its reasonable control, in which case the Organizer will refund to the Exhibitor a pro rata portion of any participation fees already paid to the Organizer. However, in case of compelling reason in particular force majeure, the Organizer is entitled to postpone, shorten, partially or completely close or to cancel the Exhibition, if and as far as the reasons are not in the Organizer's responsibility. In this case, the Exhibitor is not entitled to receive any reimbursement, and the Exhibitor shall not have any claim against the Organizer in respect of any loss or damage.

Article 13. CANCELLATION OF PARTICIPATION

1. The exhibition participation contract may be terminated by the Organizer when the Exhibitor either wishes not to use the booth location which the Organizer allocated or violate the participation contract and the BEXCO EXHIBITIONHALL REGULATION including the payment schedule, then the Organizer reserves the right to cancel the contract.
2. In the event that the Exhibitor cancels all or part of the exhibit booth space contracted, the Exhibitor must submit a written notice of such cancellation and will be obliged for a cancellation fee as below :
 - Up to 30 days before the event : 50% of total participation fee
 - Within 30 days before the event : 100% of total participation fee

Article 14. SUPPLEMENTARY REGULATIONS

The Organizer may establish supplementary/additional regulations in addition to these terms and conditions for exhibiting, and the Exhibitor shall observe them. The Exhibitor shall also observe the various regulations of BEXCO.

Article 15. SETTLEMENT OF DISPUTES

Any dispute that might occur between the Organizer and an Exhibitor concerning these 'Terms and Conditions for Exhibiting' or the mutual rights and obligations shall follow the ruling of the Korean Commerce Arbitration Board located in Busan, and its ruling is final and carries legal binding force to both parties.
